The Pennsylvania State Women's Bowling Association, its officers and agents shall be liable only to the extent of returning entry fees if and when these entrants shall be prevented from bowling any event in the tournament through delay, unexpected yet necessary schedule change, or premature termination of the tournament, which may be brought about by war, national emergency or emergencies of causes relating thereto or resulting therefrom, fires, strikes, lockouts, labor difficulties or other causes beyond the control of the Pennsylvania State Women's Bowling Association.

SUBSTITUTIONS

In the event of a substitution, the substitute is NOT required to reimburse the original entrant her tournament fees.

RULES FOR PARTICIPATION IN THE P.S.W.B.A. CHAMPIONSHIP TOURNAMENT

The 1978 PSWBA Championship Tournament will be conducted in Sharon, Pa., with team events at the Hickory Bowl and doubles and singles at Thornton Hall Lanes.

Each team captain should check in at the tournament desk at least one half (½) hour before the scheduled time to bowl. If there are substitute(s) on the team or doubles events, the captain must check in substitute(s) at least one (1) hour in advance of the time scheduled to bowl. Please use the substitution slip.

The team captain should check the line-up with the official scorer to make certain that all entrants are bowling in the order as submitted on the entry form.

A substitute shall take the place in the line-up of the original bowler.

When the average of a substitute changes the classification of any entry in any event, the entry shall be reclassified accordingly.

Each event will be bowled on a separate pair of lanes. A team will remain on the same pair of lanes for all three (3) games, alternating lanes as in league play. Doubles will be bowled on a pair of lanes and singles on another pair of lanes. Check with the scorer for the pair of lanes for your singles. All lanes will be assigned by the tournament manager.

Teams will be allowed one practice ball on each lane. One practice ball will be allowed on each of the doubles lanes. No practice ball on the singles lanes.

The captain is responsible for seeing that her team members remain in the bowlers' area and are ready to bowl when the pins are set. The next bowler in line should meet the bowler coming off the approach. Do not let the pins wait for the bowler.

No talcum powder, rosin or any type of foreign substance will be permitted on the runways or the bowlers' shoes. Moistening of bowlers shoes is also prohibited.

Entrants are not permitted to smoke, eat or drink in the bowling area. This also applies to scorers.

An entrant shall wear proper bowling attire. No shorts will be permitted.

After games are completed and scoresheets properly signed, obtain your duplicate scoresheet from your scorekeeper. Scores are NOT official until audited.

Claims for errors must be made to the PSWBA secretary within 24 hours after you have bowled.

Other tournament rules are printed in the PSWBA Bylaws book and on the reverse side of the entry form.

Rules are made for the pleasure and safety of the entrants. Your cooperation will be greatly appreciated. Thank you!
